Policy:

Santé Manitouwadge Health Board of Directors recognizes that people with disabilities represent a significant part of our population. The Board is supportive of annual accessibility planning to ensure that our services, policies, procedures and practices meet the needs of everyone; including staff and members of the community with disabilities.

The Board is committed to:

- the continued improvement of access to facilities, policies, programs, practices and services for patients and their families, staff, health care providers, volunteers and members of the community;
- the participation of people with disabilities in the development and review of its annual plans; *and*
- ensure Bylaws and policies are consistent with the principles of accessibility.
- Staff education and training
