Independent Auditor's Report	
Statement of Revenue and Expenditures	1
Notes to the Statement	2

To the Ministry of Health and Board of Directors of Sante Manitouwadge Health:

Opinion

We have audited the accompanying Manitouwadge Family Health Team (the "Family Health Team") statement of revenue and expenditures for the year ended March 31, 2024 ("the statement"). The statement has been prepared by management based on the financial reporting provisions of the funding contract dated April 1, 2018 between Manitouwadge Family Health Team and the Ministry of Health.

In our opinion, the financial information in the Manitouwadge Family Health Team statement of revenue and expenditures for the year ended March 31, 2024 is prepared, in all material respects, in accordance with the financial reporting provisions of the funding agreement dated April 1, 2018 between Manitouwadge Family Health Team and the Ministry of Health.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement of Revenue and Expenditures section of our report. We are independent of the Family Health Team in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Basis of Accounting and Restriction on Distribution or Use

Without modifying our opinion, we draw attention to Note 1 of the statement, which describes the basis of accounting. The statement is prepared to assist Sante Manitouwadge Health to comply with the financial reporting provisions of the funding contract dated April 1, 2018 between Manitouwadge Family Health Team and the Ministry of Health. As a result, the statement may not be suitable for another purpose. Our report is intended solely for Sante Manitouwadge Health and the Ministry of Health and should not be distributed to or used by parties other than Sante Manitouwadge Health or the Ministry of Health.

Auditor's Responsibilities for the Audit of the Statement of Revenue and Expenditures

Our objectives are to obtain reasonable assurance about whether the statement of revenue and expenditures as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the statement.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the statement of revenue and expenditures, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Family Health Team's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Excess of revenue over expenditures for the year	-	-	-

The accompanying notes are in integral part of these financial statements.

1. Significant accounting policies

The statement has been prepared in accordance with the funding agreement dated April 1, 2018 ("the Agreement") between the Manitouwadge Family Health Team ("Family Health Team") and the Ministry of Health ("MOH") using the following significant accounting policies:

Basis of presentation

The basis of accounting used in this statement materially differs from Canadian Public Sector Accounting Standards because of the following:

- Capital assets are charged to current operations and accordingly no amortization is recorded in the accounts.
- Funding received for capital purchases is recognized as revenue in the year received or receivable.

Revenue recognition

The Family Health Team recognizes revenue from the MOH in accordance with the period specified under the funding agreement to which the revenue relates.

Deferred revenue is received from contributors who have restricted use of the funds for specific purposes. Recognition of these amounts as revenue is deferred to periods when the specific expenditures are made.

2. Budget information

During the year, the MOH approved the Family Health Team's budget based on planned expenses relating to the current year funding as identified in the Family Health Team Funding Agreement dated April 1, 2018. The budget balances have been attached for information purposes only and are unaudited.

3. Reporting period

The statement has been prepared based on the reporting period as identified in the Agreement, which commences April 1, 2023 and expires March 31, 2024.
